

Free Candidate Says Puffer

"I believe the people of the Tenth District want a man to represent them in Congress who is not under any obligation to pressure groups of any kind; one who can go to Washington free and unhampered," said R. C. Puffer, Republican candidate for the nomination as United States Representative from the Michigan Tenth District.

"Too often in recent years, we have seen our elected representatives so bound to their party or to some political machine that they were not free to follow their own convictions," Grayling's candidate for Congress declared emphatically today.

"Our two party system is good so long as party interest does not come before the National welfare. It is sickening to see men in high office play politics when the very life of civilization is at stake," the Congressman hopeful stated.

"If the people of the Tenth District send me to Congress, they can be sure that I will keep myself free of all entanglements. I have no political machine backing my candidacy nor is any pressure group contributing to my campaign. Only men and women who want to see a man elected whom they are sure will maintain high ethical standards, have aided me in my run for office. Everyday more of such people are rallying to my support," Mr. Puffer concluded.

Library Trustees Hold Meeting

There was a meeting of the Trustees of the Library Wednesday, July 2, at the Library. They discussed the possibilities of the new fines not being given to the library, since the Supervisors still do not allow the required 8/10 of a mill for the library.

Among other things discussed was the \$1,500.00 on hand for a library building fund from the Alexander Estate through the efforts of Mr. John Bruum, and the possibility of enough more money to make even a small building possible.

The space in the present quarters is quite crowded. New books must be added to hold the interest of the readers, and there is not more room for shelves in the present location.

Do you know the circulation in 1946 was 4,629 books—and 510 magazines. In 1951 books circulated were 12,780 and magazines 1,202, which shows a continued growth in circulation during the last six years. While circulation alone does not count for all progress, we do feel the library has made progress, and we are anxious to meet the minimum standards for a class II library, serving a population of more than 4,000.

The first group of campers returned from Judson College last Saturday after a full and exciting week at the newest church camp. Mr. and Mrs. Lewis Stillwagon made the trip. Thirteen intermediates will go to Lake Louise Sunday afternoon. This group includes Bob Strong, Pauline Lutz, Claudette Long, John Robertson, Donald Roberts, Billy Martin, Newton Allison, Vivian Fenton, Roger Nelson, Peggy Benware, Judy Larson, Judy Kenyon, Martha Stillwagon. The senior group will also go to Lake Louise. The Camp Fund is still far short of meeting the goal of a week at camp for every member with perfect attendance, and anyone interested in this project is invited to participate by making a contribution in the Camp Fund Jar in the church, or by check, to Mr. Ernest Larson, Mrs. Thomas Houghton, or Reverend Puffer.

The Sunday School welcomed an unusually large number of visitors and new members Sunday. Those listed in the Kindergarten Department were Ronda Jane Puffer, Tom, Jerry and Judy Savely, Joan Aling, Robert and Anita Hauser, Jane Palmer and Mike McEvers. Richard Lee Lovell, Tommy and Jerry Wright, Nancy Hubbard, Mike Puffer and Billy Troutbridge were reported in the Primary Department where Mrs. Hersher taught for Mrs. R. A. Mosher. Visitors in the Intermediate Department included Mr. and Mrs. Clarence Merrick and their children, Deanne and Kenneth, all of Dayton, Ohio. Miss Margie Krome, Romulus, Mich.; Miss Judy Duxley, Lansing; and Mrs. Alta Clingensmith, Belding, Mich.

Daily Vacation Bible School opened Monday morning with an enrollment of more than 60 children, a staff of 13 adults and six assistants. The Juniors (fourth, fifth and sixth grades) are meeting in Danebod Hall. All others in Michelson Memorial Church. Parents and others interested are invited to attend the chapel service at 11:00 A. M. Friday. New members will be accepted throughout this week. The two weeks of summer school will be followed by an Achievement Program Friday, July 18, and a Fellowship Picnic at Hartwick Pines on Saturday, July 19.

Alger In Grayling Saturday, July 12

Fred M. Alger, Secretary of State and Republican candidate for Governor, will arrive in Grayling July 12 for a day's swing through Crawford County, it is announced by Alger-for-Governor headquarters at Lansing.

Alger is serving his third term as Secretary of State. In the 1950 state general election, as a candidate for Secretary of State, he polled more votes than any other candidate, Republican or Democratic. If Governor William E. Fobes of Eau Claire, Wisconsin was headed north at about 60 miles per hour. Approaching another slower car, he attempted to pass when he observed a car coming south driven by George F. Lodge of Solon, Ohio. Attempting to brake on the wet, slippery road, he lost control of the car and skidded into the Lodge vehicle.

Injured in the accident were: Mrs. Ruth C. Fobes, multiple fractures including a skull fracture, Fred Fobes, 37, the driver, bruises and shock; Marvin F. Fobes, 26, fractured ribs; Virginia Bissonette, 29, of Green Bay Wisconsin, bruises; George F. Lodge, 38, head lacerations and bruises; John Douglas Lodge, 7 months, bruises and skull and left leg fractured.

The accident was investigated by Sheriff William F. Golinick and Deputy Sheriff Rollo Failing.

Although traffic was near an all time peak during the Fourth of July holiday weekend, this was the only serious accident. There were several accidents in which small damage was done to the cars involved but no injuries were received by the occupants.

Four added pay stations also on a direct circuit to Roscommon have been placed in convenient spots at Camp Grayling. There will be an attendant at the servicemen's phone center on Cedar Street to make change and to assist in the placing of long distance phone calls. The center will be open daily from 6 p. m. until 11 p. m.

National Guard personnel are urged to use one of the four pay stations at camp or one of the three at the center so that traffic on the circuits will be more evenly distributed and will not interfere with calls being placed on the Grayling exchange. These pay stations are for long distance calls only and not local calls.

Bob Gildner started on the mound for Grayling and left the game in the eighth inning with the score tied at 3 all. Gildner was forced from the game by illness brought on by the intense heat. Duane Worden also had to leave the game in the seventh inning due to heat illness. Dick Miller took the mound when Gildner retired and although he seemed to be in good shape, the Central Lake team banged out several hits. Ed Owens hit a line drive home run over the fence for Grayling early in the game. Unfortunately no one was on the bases when Owens connected for his round tripper.

Grayling plays host to Bellaire next Sunday in a league game here. The game will get underway at 2:30 p. m. at the City Park Field.

Drop Game To Central Lake

The Grayling Independent baseball team dropped a 7 to 3 decision to the Central Lake team there Sunday in a Chain of Lakes League contest.

Motorists should think about the effects of excessive speed before—not after—they step on the gas. Chief John A. Papendick of the Grayling Police Department said in discussing the state-wide campaign on speed control sponsored by the State Safety Commission.

"Many drivers," Chief Papendick stated, "fail to realize just how destructive fast driving is. For instance, a car that strikes a solid object at 60 miles an hour hits with the same impact as if it were driven off the top of a ten-story building."

"No one would think of driving off the top of a building, but many actually risk doing the equivalent of that when they get out on the highway and tear loose. A look at a wrecked car will show the destructive power of speed. But smashed fenders, ripped tops, bent frames and shattered glass represent only the mechanical damage. The big loss is the toll of persons injured or killed."

"Attempts to save a few minutes of time are not worth the risk involved and certainly not the tragedy that often results. Speed control will prevent accidents and save lives. Drive safely and live longer."

SURPRISED WITH ANNIVERSARY PARTY

Mr. and Mrs. Robert Funck, Mr. and Mrs. Edwin Funck of Lansing and Mrs. James S. McKinley of Denver, Colorado entertained 30 guests at a surprise party honoring the 43rd wedding anniversary of Mr. and Mrs. Augustus Funck, at the Funck home June 28th.

The table was covered with white linen and centered with a large wedding cake which was surrounded with panicles and guarded with white tapers. Mrs. T. P. Peterson presided at the table and Mrs. Holger Schmidt assisted in greeting the guests. Other out of town guests were: Mrs. Adolph Hein of Blanchard, and Mrs. Freeda Whaley and Earl, Ray and Erwin Whaley of Cadillac.

Ohio Guardsmen In Midst Of 2 Weeks Field Training

One Killed In US-27 Crash

One person was killed and six injured in a head-on auto crash on US-27 about four miles south of Grayling last Thursday morning. Both cars involved were out of state vehicles.

Mrs. Olga B. Phipps was dead on arrival at Mercy Hospital from injuries sustained in the crash. A 1932 Pontiac being driven by Fred Fobes of Eau Claire, Wisconsin was headed north at about 60 miles per hour. Approaching another slower car, he attempted to pass when he observed a car coming south driven by George F. Lodge of Solon, Ohio. Attempting to brake on the wet, slippery road, he lost control of the car and skidded into the Lodge vehicle.

Kiwanis Club Notes

A speaker, who was to discuss the flourine treatments to children's teeth being sponsored by the Grayling Kiwanis Club through July 15 here, turned ill and was unable to attend Monday night's meeting. Dr. J. F. Cook who has served as the club's chairman of this program spoke briefly on the treatments.

A discussion was held on the Ballot Battalion made up of the Grayling Women's Club and the Kiwanis Club. It was announced that through their efforts about 1,500 persons were now registered in the City of Grayling. The top number of registered voters in the City up to this time has been about 900. City Manager Max Davenport said that many people had registered this year who have never voted previously.

Roy Mines was appointed chairman of a group that will represent the Grayling Kiwanis Club in a Divisional Kiwanis Golf Tournament at Traverse City on July 16. Those going besides the chairman are Charles Piper, Willard Cornell, Ernest Johnson, Dr. Cook and Alfred J. Sorenson.

A discussion was then held on various ways for the club to raise money to finance several of their projects.

Former Resident Succumbs In California

Masonic funeral services were held in San Francisco for Julius Karl Mery, former Grayling resident and Past Master of Grayling Masonic Lodge, on June 25th.

Mr. Mery was born February 21, 1864 and worked in Grayling and Johannesburg years ago. He left Grayling in 1903.

He visited his nephew Floyd McClain about six years ago and renewed acquaintances with many old timers in Grayling.

His daughter Mrs. Inez Zearley was with him at the time of his passing. She was planning to go to Kodiak, Alaska and he had expected to move there with her. Mr. Mery leaves one sister in Switzerland whom he had visited twice in recent years.

Grayling Fire Department News

The weekly meeting of July 7th was called to order by Chief Middle LaMotte at 7:30 P. M.

Due to such warm weather the chief gave us just a light meeting. The new members of the department went over the fire trucks to see if they remembered how to operate them.

After this we rolled up all the hoses we had hanging up to dry, so they will be ready when we need them.

The minutes of the last meeting were read and approved.

There were 14 members present. The meeting was adjourned at 8:30 P. M.

One fire alarm was turned in this past week. Sunday afternoon a fire started in Stanley Madson's saw mill. A sawdust pile caught fire and was quickly put out.

Mrs. Thomas Cassidy and Mrs. Roy Trudgen spent Sunday and Monday in Cheboygan visiting relatives.

Ohio Airmen Due Here July 19

Over 2,000 National Guardsmen of the State of Ohio are in the midst of their two weeks of extensive and grueling two weeks of field training at Camp Grayling and the various firing ranges located in Crawford County.

Ohio units training at Camp Grayling this year, due to their own camp being in use by the Federal Government are 166th RCT, 107th Armd. Cav. Regt., 372nd Inf. Bn. (sepf), 3640 Ord. Maint. Co., 137th M. P. Co. and the Ohio State Hq. and Hq. Detachment.

The Buckeye civilian soldiers arrived at Camp Grayling over the Fourth of July week-end and immediately started in their field training problems and practices.

Throughout next week. On Saturday, July 19, the day before the Ohio ground units leave for their long trek back home, about 1,200 members of Ohio's 121st Fighter Wing will arrive at Grayling MacNamara Air Base for two weeks of training.

The airmen will probably make up for a week's lack of activity at Camp Grayling until July 27 when the "Cyclone" Division hits camp. Indiana Guardsmen of the

Range Firing Starts

Ohio Guardsmen started firing on many of the ranges in the county yesterday and the danger period will continue for a week through next Thursday, July 17. At the Armed Training area located north of the North Downriver Road, tanks, heavy machine guns and bazookas are blasting away at targets near Kyle and Duck Lakes.

At the artillery ranges north of the Frederic Lovells Road (County Road 612) the big guns will also be shooting through next Thursday. Care should be used when near these areas and signs, sentries and road blocks should be observed and followed.

38th "Cyclone" Division and non-divisional units will total over 7,700 officers and men.

On August 3, an additional 340 men from Indiana, members of the 138th AAA AW Bn. will arrive for their second week's training after spending the first week at Camp Perry, Ohio.

On August 10 all Indiana Guardsmen will be homebound. Ohio airmen will have been gone a week, but 450 Illinois Air National Guardsmen will have arrived at the Grayling Air Base.

Illinois airmen will still have a week of training ahead when on August 16, 7,500 members of Michigan's "Iron Fist" division embark for training at Camp Grayling.

Annual School Meeting Monday

The annual meeting of the Grayling School District will be held next Monday, July 14 at 8 p. m. in the Assembly Room. The electors will be asked to vote on a special 2 mill tax for building repair and construction.

This tax is to replace the special 5 mill tax that expired last year. Money received from this special tax has made it possible to do a great deal of modernizing on the buildings and keep them in good repair as well as to build up a Building and Site Fund of over \$30,000.

Next fall a second enrollment will jam the High School and a still higher enrollment is in sight for the fall of 1953. This September, 330 High School students will be crowded in space allowed for a maximum of 270 pupils. By September 1953 or before it will be necessary to provide more High School classroom space and add at least one more teacher.

The school's largest kindergarten enrollment is also expected this fall and it may be necessary to add another kindergarten teacher if one can be found.

One school board member will be elected also as the term of Dan C. Babbitt is expiring. Such other business as may come before the meeting will also be discussed.

W. S. C. S. To Meet In Cheboygan

The Women's Society for Christian Service District Seminar will be held in Cheboygan, Wednesday, July 16.

Officers and members are urged to attend. Those interested please contact Mrs. T. E. Robertson.

It is hoped that several carloads of ladies will attend this all day meeting which begins at 10:00 A. M. Each one is to bring a sack lunch.

Anyone willing to take their car to be sure to contact your circle president or Mrs. Robertson.

Shower Fates Miss Sally Gross

Miss Sally Gross, who will become the bride of Reginald Ashton on Friday, was feted with a shower last Saturday evening at the Alfred Sorenson home. Cohostesses were Mrs. Hanny Foldhaug and the Misses Jeanine Sorenson, Shirlee Souders and Betsy Niederer. There were 40 guests.

Refreshments included pink and white individual cakes served from a buffet table centered with a pink shower umbrella and matching tapers. Mrs. Fred Lamm and Mrs. Alex Atkinson presided. Sally was presented with a pink and white corsage. Many beautiful gifts were opened by the bride-to-be.

PARTY CELEBRATES WEDDING ANNIVERSARY

Saturday evening members of the Calvary Baptist Church and friends of Rev. and Mrs. Hollie Later held a party in their honor in the basement of the church to celebrate their 18th wedding anniversary.

Forty persons gathered in the basement which was decorated with bouquets of roses and asters for the occasion.

Rev. Donald Cleveland led group singing. Refreshments included ice cream and coffee and a four tiered wedding cake.

Those present presented the Later with gifts.

Stuart W. McCullough

Stuart W. McCullough received a degree of Bachelor of Science in Forestry from Michigan State College on June 8th and after a brief vacation enlisted in the U. S. Navy. He now is stationed at Great Lakes Naval Training Station and expects to complete his boot-camp period in 10 weeks. He sends his regards to his friends in Grayling and will be glad to hear from them. If you want bigger payloads, you want a Dodge.

"We solved our hauling problems with Dodge 'Job-Rated' trucks"

"Our business calls for trucks that can haul big loads day in and day out—and we like our trucks to last, too! That's why we prefer Dodge trucks that are 'Job-Rated' to fit our particular hauling job.

"We recently put in service two Dodge 'Job-Rated' 1 1/2-ton models... and they sure haul big loads the way we want them to! For instance, the 170-inch wheelbase models allow for a 14-foot body, which is ideal for our business. And Dodge easy-handling advantages enable us to maneuver these trucks in the same space as some other trucks with 12-foot bodies."

DODGE "Job-Rated" TRUCKS

PLYMOUTH, DODGE,
DODGE TRUCKS

FREDERIC, MICHIGAN

- For bigger payloads, choose a Dodge "Job-Rated" truck—1/2-ton through 4-ton.
- "Job-Rated" engineering makes it possible for you to haul more with the right Dodge truck for your needs.
- You haul more economically, too, because of such Dodge advantages as lightweight aluminum-alloy pistons and others.
- For smoother power, extra load protection, gyral fluid drive is available on 1/2-, 3/4-, 1-ton and Route-Van models.
- Come in for a demonstration—and an extra good deal!

Better weight distribution. Dodge short wheelbase allows more weight to be carried on the front axle. Because the engine is located farther forward and front axle is moved back, you can haul bigger loads without overloading.

The right load-carrying units. Frame, axle, and other units that carry the load are "Job-Rated" on Dodge. Each is engineered to provide strength and capacity needed to support your load. All are "Job-Rated" to work together!

The right load-moving units. You get an engine that's "Job-Rated" with plenty of power to pull bigger loads at low cost. In fact, all load-moving units—such as clutch, transmission, rear axle—are engineered to move bigger loads.

Where Is The Umpire?

A short time ago the Secretary of Labor spoke at a steelworkers' convention. He said, "I don't feel any obligation to be impartial. I have stood heart and soul and spirit behind the United Steelworkers." The unavoidable intimation is that he was 100 per cent against management in steel's labor controversies.

Suppose that a cabinet member or other top man in government spoke before a meeting of business executives and said something like this: "I don't feel any obligation to be impartial. In your disputes with labor, I am 100 per cent on your side and 100 per cent against the workers and their unions." The repercussions would rival an atomic explosion, and the official would be out of a job in a hurry.

The people in government have attitudes and prejudices like all the rest of us. It is quite logical that in such complex questions as labor-management differences some should think one side is most nearly right, and some should think the other side has the stronger case. But when a high official says that he feels no obligation to be impartial as he can in considering questions which affect every person in this country and the national welfare and security, every American principle of fair play and honest dealing is violated. One of the basic reasons for the existence of government is to prevent one group from destroying the rights of other groups—and to effect a reasonable balance between conflicting policies and ideas. Government's duty is to be an umpire—not a pleader for special interests.

We have come a long and sorry way from this all-important principle. If we go far enough, we will destroy freedom and democratic government itself.

John W. Libcke Named Detroit City Assessor

John W. Libcke, a former Grayling resident and well known in Grayling, was named City Assessor of Detroit last week by Detroit Mayor Cobo.

The appointment was Cobo's first official act since he suffered a heart attack April 24. The Mayor's action was taken from an undisclosed location where he is recuperating and transmitted through City Hall aides.

Libcke, who vacates his position as director of the Memorial Hall Commission, began his new four-year term immediately.

He fills a gap left by W. Alfred Debo, who was named by former Mayor Eugene I. Van Antwerp. Cobo gave no explanation for his letter to Debo telling him that he would not be reappointed.

Libcke, who has been in government work since 1926, is a former member of the Michigan State Tax Commission. He is 50 years old, a veteran of World War II and lives at 15081 Greenview.

Mrs. Libcke is the former Ingeborg Hanson of Grayling, sister of Agnes, Anne, Robert and George Hanson of Grayling.

Now! Your only chance this year as an individual...

(with your family, if married)

to get Blue Cross-Blue Shield protection against hospital and surgical bills without enrolling through a group!

The chances are now 1 in 3 that you or a member of your family will face hospital bills this year! You don't have to risk your savings! You can get Michigan's most widely-used hospital and surgical protection sponsored by Michigan hospitals and doctors, if you act NOW!

Where would the money come from, if an accident or sickness put you, or a member of your family in the hospital?

The time to do something about protection against hospital bills is NOW... while your family has its health. It's too late, after an accident or illness strikes. And strike it will, to put someone from one out of every three Michigan families in the hospital this year.

Over 2 1/2 million in Michigan enjoy Blue Cross-Blue Shield protection! There is a proved and practical way to protect yourself and your family against unexpected hospital bills.

Some years ago, Michigan hospitals and doctors started the famous Blue Cross-Blue Shield Plans. Today these plans

provide protection for over 2 1/2 million people in Michigan. They have provided benefits worth over 222 million dollars in the last thirteen years.

FOR LIMITED TIME ONLY... enrollment opened to everyone in Michigan under age 65! Most members joined Blue Cross-Blue Shield through group enrollment. However, to approach its goal of protection for everyone in Michigan, Blue Cross-Blue Shield provides this special non-group enrollment opportunity. Now, anyone under age 65 can enroll themselves and their families without belonging to a group.

Why non-group enrollment is for a limited time only!

If non-group enrollment was kept open indefinitely, many people would put off

Your Blue Cross-Blue Shield card is all you need when admitted to any one of the over 100 Blue Cross participating hospitals in Michigan.

joining until they had to go to the hospital. That would increase the cost of Blue Cross-Blue Shield to everyone. Mass enrollment over a limited time, however, "spreads the risk," keeps cost low. That's why you must inquire before July 12th... during this special campaign. No physical examination, no health statement is necessary. You don't even have to be employed to get Blue Cross-Blue Shield protection now!

The cost of Blue Cross-Blue Shield protection is low for the benefits provided! Blue Cross-Blue Shield rates vary somewhat according to the type of protection you select. For a single person costs go as low as 10 cents a day. Protection for husband and wife can be yours for as little as 27¢ a day. To enroll your whole family costs only a few pennies more.

Send no money!

Just fill out and mail the coupon below. This puts you under no obligation nor will it make you a member.

We will send you literature and an application blank. No one will call on you. Fill in the application form and return it to us—only then will we mail you Blue Cross-Blue Shield certificates and identification cards.

THIS COUPON MUST BE MAILED NO LATER THAN JULY 12th

This could be one of the most important decisions you have ever made in your life! Don't put it off for another minute! Accident and sickness strike suddenly. Protect your family by dropping this coupon in the mail now! Pass the coupon along to a friend. If you already have this protection.

Former Grayling Man Wed In Evanston, Ill.

A former Grayling man, Clare Lee Garner was married in Evanston, Illinois, Saturday, June 14. His bride was Joanne Pearl Miehl, the daughter of Mr. and Mrs. Donald Miehl of that city. Clare is the son of Mrs. Doris E. MacGregor of Grayling.

The ceremony was performed by the Rev. Thomas V. Brady in St. Athanasius Church at 11 A. M. and a reception for 350 was held in the "Georgian" Hotel French Room. Mrs. MacGregor entertained at the rehearsal dinner the night before and the bride's parents entertained at a buffet supper for out of town guests at their home after the reception.

Assisting with the ceremony was Brother Andrew of the Dominican Order, River Forest, Illinois, the former Donald George Miehl, Jr., a brother of the bride.

Joanne chose white nylon tulle and satin for her wedding gown, fashioned with a lace collar and bertha; a full gathered skirt and court train. She wore a veil of Brussels lace which she brought from Europe. On her white prayer book were gladiolus and white orchids.

She was attended by Jacqueline Voss, maid of honor; Mrs. William Kunkel, matron of honor, and Miss Jeanne Paden, Virginia McCoy and the former Barbara Garner, sister of the bridegroom. Karen Sue Hally acted as flower girl and the ring bearer Thomas King.

Powder blue dotted sheer fashioned their gowns the honor attendants over white taffeta and the others over blue taffeta. They wore in ballerina length with matching jackets and all wore headaddresses to match their colonial bouquets in blue.

Mrs. Miehl wore a toast colored lace gown with matching jacket and pink orchids and Mrs. MacGregor chose rose colored lace net with matching jacket and brown orchids.

Mr. Dabcock, brother-in-law of the groom was best man and ushers were John Mach, Minneapolis; James Wertzman, Detroit; Eugene Pigatti, Rockford, Illinois; and Mr. Kunkel, Wilmette.

For the trip to Yellowstone, Banff and Lake Louise, Canada, the bride chose a powder blue suit with navy velvet hat and navy accessories with white orchids pinned to her shoulder.

Mr. Garner attended St. Thomas Military Academy in St. Paul, Minn., Georgetown University, Washington, D. C. and was graduated from Marquette University where he is now studying in the

dental school, from which his bride graduated. Joanne also has a degree in education from National College of Education, Evanston, Ill.

On their return they will reside in Milwaukee, Wis.

FASTEST GROWING SPORT

Bow hunting—the sport of taking game, and fish, with bow and arrow—is growing by leaps and bounds in Michigan. Local archery clubs are springing up everywhere. Sportsmen's clubs are building field archery courses to sharpen the eye of would-be hunters. Liberalized hunting regulations for Michigan Robin Hoods have spurred the sport to unprecedented heights. This fall may see as many as 25,000 archers licensed to shoot deer! Thousands more engage in target tournaments all summer.

Bow Fishing Now Popular

This year for the first time carp and garfish may be taken with a bow and arrow, and manufacturers are having a hard time keeping up with the demand for special equipment needed for the pursuit of this sport. Bowfishing requires a reel mounted on the bow, with the line attached to the head of the arrow. The most widely used type of arrow has a special expanding barb and detachable head. When the arrow strikes the fish the shaft floats free, and the archer proceeds to land his prize either hand over hand, or by playing the fish from the special reel.

Control Crabgrass In Your Lawn

This is the time of the year when crabgrass will be taking over many lawns and new seedlings. Dr. E. H. Crigby of Michigan State College has a low-cost simple way to get rid of that pesky plant.

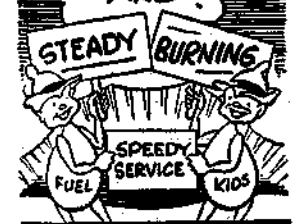

He says add one ounce of pure chlordane to a quart of water—white grade kerosene is the high-quality kind sold for use in oil stoves. A quart of this mixture will cover 275 square yards of lawn and should be applied in a fine spray.

This will kill crabgrass but will not injure lawn grasses, and it also kills grubs and ants. Mole crickets like to feed on grubs, so you'll stop their action, too.

Chlordane oftentimes is sold in 50% solution which means you'll have to use two ounces to a quart of kerosene.

Beaver) and the State paid him a salary. Today he received between \$5,500 and \$6,500 from the Michigan treasury.

Dr. Russell Palmer, who has held the post for 25 years, is ready to retire and Dr. Albert E. Heustis, state health commissioner, is looking for a successor. "We need a physician who will provide his own home and medicines and will take care of the islanders and visitors at a minimum salary," says Heustis.

He calls the arrangement "the private practice of medicine with a state subsidy." He points out that "the island is being developed more now as a tourist attraction and the people of the region feel the absence of any physician on the island would be a serious drawback."

The island's main contact with the mainland is by ship although airplane service is offered—technically—all year 'round. Winter flights often have to be cancelled because of the weather.

So, if you know some physician who, in Dr. Heustis's words "likes the outdoors and doesn't mind being somewhat isolated and held down in one spot" refer him to the state health commissioner.

But you'd better not bandy the phrase "socialized medicine," some people get rather vociferous when that enters the conversation.

With the quadrennial circus going to Chicago this week, the average Michigander has been getting an abundant political diet direct from the Windy City via his newspaper, radio or television. That other political gathering has been overshadowed by the Republican convention.

It's the seventh annual forum on state and local government on the Michigan State College campus. It won't have as great an impact on the nation as the party convention but its sponsors believe that it's almost as important on the long haul because it creates a better interest and understanding of government at the grassroots level. It's been just as hot—on the thermometer—at East Lansing as it's been in Chicago and there were moments these past few days when the political temperature soared, too.

The Republican delegates had some explosive topics, FEPC, the international plank, seating of contested delegates and—of course—the titanic battle between Taft and Ike. But the Michigan delegates has a couple of their own that were hardly conducive to a cool and academic discussion.

There was the explosive topic of state governmental reorganization with Gov. G. Mennen Williams leading the discussion on the opening day Monday. Equally controversial was the Tuesday topic: Reapportionment of representation in the Legislature.

Both of these issues are certain to be major bones of contention in the coming election. Two reapportionment proposals will be on the November ballot and voters must make a direct choice. Gov-

ernmental reorganization will undoubtedly be one of the campaign battle lines and there, too, voters will make a decision even if in a more indirect manner.

Sessions today and tomorrow are scheduled to take up the financial problem of both state and local government and during the next two weeks, students will confer with leaders of every branch and at every level of government and with political science experts.

They'll discuss everything from states rights and decentralized government to the labor movement and two-party system.

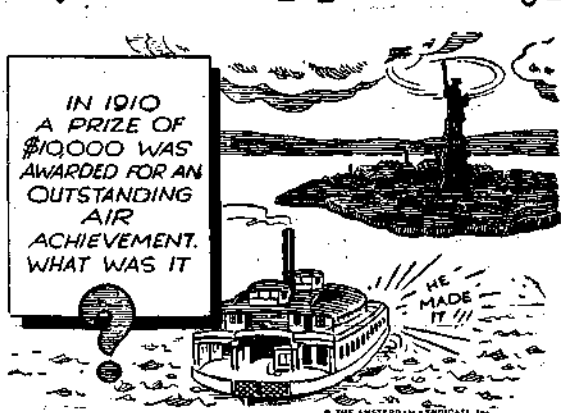

The political leaders who attend this conference are influential in their own communities. The conclusions they draw—and pass on to their fellow-citizens at home—will certainly have an effect on the November elections.

In that way the conference, now overshadowed by the Chicago convention, may become far more important than the headlines alone would indicate.

Two new events have again underlined Michigan's importance in the arsenal of democracy. One was the unveiling of the new T-48 tank by Ford and General Motors that is expected to give the United States the edge on its opponents mechanized striking forces.

The other was the visit to the Lansing Oldsmobile plant by Vice Adm. C. Turner Joy, former head of the UN truce team at Panmunjon. At the Olds plant he saw the manufacture of the 3.5-inch bazooka rocket that seems to have been more effective in Korea than the efforts of the Air Force's new A-1H. A combination of both is needed.

Use A Fuse Instead Of A Penny

Hundreds of safety slogans have been coined and Dave Stienicke, farm safety specialist at Michigan State College passes along one of real importance. "Use a fuse instead of a penny—the one chance you take may be too many."

Pennies in the fuse sockets can set the house on fire, warns Stienicke. A fuse is a safety valve. When it "blows" it is a warning that the wires are overloaded and more electricity is being carried than the circuit can handle safely. Too many appliances or motors on one circuit, or a defect in one of them may be the cause. The burning out of a fuse cuts off the current and avoids overheating wires that might cause a fire.

Keep some extra fuses handy—near the service box—where they'll be ready if a fuse blows. If the fuses continue to blow, then Stienicke urges you to have the appliance, motor or wiring inspected by a qualified inspector.

in Korea, Joy said. "Keep on trying for an armistice and meantime exert military pressure, the only language the enemy understands." That was the recipe he gave capital newsmen.

Michigan products will help exert that pressure.

The term "good-bye" is a corruption of "God be with you," according to the Encyclopaedia Britannica.

From where I sit... by Joe Marsh

How Nervy Can a "Tenant" Get?

"Harry the Hermit" dropped in to see Judge Cunningham the other day and started complaining about that dilapidated house he lives in over near Greenwood Lake.

"Who's my landlord?" Harry wanted to know. "Whoever you pay rent to," says the Judge. "Don't pay any rent," says Harry. "Moved into that house twelve years ago and nobody ever came to collect."

"Well," says the Judge, looking mystified, "what do you have to complain about?" "Plenty," replies Harry. "Rain's pouring in my living room and if someone doesn't

fix that roof, I'm moving out!"

Now Harry was only having a little joke, but from where I sit I've seen people act just about as nervy as this sometimes—seriously. Like those who enjoy all the rights Americans have worked for, and yet would take away some of those freedoms from others—for example, our right to enjoy a friendly glass of beer. I say these "leaks of intolerance" have no place in the "home of liberty."

There are Miles that Make You Happy

YOU'LL discover a lot that you like in this neat, fleet and nimble traveler the first mile you drive it.

Such things as cushions broad and deep—six-passenger room unsurpassed by any car in America—fabrics rich, soft, harmonious.

As you take it through traffic—breast a hill or two—try it out on back roads—you'll find that you handle Dynaflo Drive* as if you had always used it—your ride is serenely level—and a great tide of power comes surging up as you need it.

This, you will say, is very Super indeed.

But no one-time sample can tell you the deep-down enduring thrill that is yours when you own this great middle series Buick.

How easy it is to park in round-town driving, especially if you have Power Steering.†

How relaxed you and the family will feel at the end of a long day's vacation jaunt—with Dynaflo Drive to let you drive at ease on the open road, without the tenseness of clutch-pushing in traffic—plus a Million Dollar Ride to protect the comfort of the family.

That ride is something to talk about. More than a dozen selected engineering features control roll and wander on curves—snub dip and sway before they get past the frame—carry you over all kinds of roads with lullaby smoothness.

And that Fireball 8 Engine—man, what a docile thunderbolt you'll find it to be! Here's a high-compression valve-in-

head that really wrings miles from a gallon of gas.

In other words, all the miles you travel in this Buick are going to make you gladder and gladder that you bought it—for comfort, for fun, for thrill and for thrift.

What are you waiting for? Come in and get your sample today.

More Eloquent Than Words!

It is true, of course, that a Cadillac owner is proud of everything about his motor car.

But it is also true that he reserves a special place in his heart for the beautiful crest that rides high on the hood.

For here, as only he can, fully appreciate, is one of the most wonderful and unique symbols in all the world of manufactured products.

In fact, it seems safe to say that no other mark of identification speaks so clearly or so eloquently of the product that bears it . . . and of the man who owns it.

It tells, for instance, of magnificent engineering and inspired design—and of experienced craftsmanship and painstaking construction.

It promises mile after mile of superlative motoring enjoyment—and it foretells year after year of dependable and enduring performance.

It proclaims, in short, the Cadillac pledge of quality—that here is an automobile built to the highest

standards it is practical to enforce in the production of a motor car.

And, oh, the wonderful things it says about the man behind the wheel!

It reveals, more surely than if the words were spoken, that he is a man of position and achievement in his own private world of affairs.

It attests to the high regard he places on the safety and the comfort of his fellow passengers.

And it says, with unmistakable clarity, that he is a person of discernment and good taste.

Little wonder that the man who owns a Cadillac takes special pride in the beautiful crest that identifies it and adorns it.

The Cadillac crest tells its most eloquent story when it adorns the magnificent car illustrated above. For here is the illustrious eight-passenger Cadillac "75"—so luxurious, spacious and distinguished that it stands alone among the world's motor cars.
